West Michigan Youth Soccer Association

A. Purpose and General Structure

West Michigan Youth Soccer Association (WMYSA) will provide a competitive experience for players whose skills qualify them to participate. WMYSA will continue the development of skilled players and will provide a framework for competitive soccer in West Michigan.

1. WMYSA is governed by a Board of Directors consisting of a President, Vice President, Secretary, Treasurer, Director of Communications, Disciplinary Chair, Clinic Coordinator and two At-Large Members. A paid administrator(s) performs Registration, Scheduling, Academy coordination, Player camp coordination, and many other tasks and communications with member clubs. The Board will strive for high quality, competitive and fair soccer for youth in West Michigan. Within the context of this broad principle, the Board may interpret the rules and regulations with discretion where appropriate. WMYSA will sponsor fall and spring seasons.
2. WMYSA is affiliated with the Michigan State Youth Soccer Association (MSYSA), the United States Youth Soccer Association (USYSA) and the United States Soccer Federation (USSF). WMYSA, through its affiliation with MSYSA, will provide insurance to registered players and officials of member teams and leagues. (See Section I).
3. WMYSA, upon request, will provide copies of its Bylaws to all first-time participants. WMYSA will make these rules and regulations available to coaches and team managers via posting on its website (www.wmysa.org).
4. The WMYSA Board of Directors must approve all applications for new clubs to join the league. Clubs affiliated with WMYSA are expected to meet the following requirements. Exceptions may be granted only by specific vote of the WMYSA Board.
 - a. Member clubs should be building towards fielding at least 4 teams in WMYSA.
 - b. Member clubs shall hold open tryouts for at least 4 teams for the coming year. Tryout dates must conform to the WMSYA guidance and the MSYSA Rules and Regulations and be announced by May 1 of each year. No more than two tryout locations may be used by an individual club during a year.
 - c. All WMYSA invoices must be paid in full by due dates.
 - d. In an on-going fashion, member clubs shall update GotSport club accounts providing contact information of all club officers and indicating the registrar/community representative to the league. A club officer must submit acceptance of the Affiliation Agreement agreeing to abide by MSYSA and WMYSA Rules and Regulations and WMYSA Board policies and decisions. This will be done electronically.
 - e. Member clubs shall file with WMYSA initial copies of club by-laws and an indication of status as being for-profit or non-profit plus tax and incorporation status. This information shall be updated annually if it changes.
 - f. Fulfillment of requirements through the above combined with abiding by MSYSA and WMYSA Rules and Regulations during the current year shall be defined as being in good standing. Membership of clubs not in good standing may be reviewed by the WMYSA Board of Directors at any time and membership may be sanctioned or revoked at any time for failure to maintain good standing, although teams currently registered shall be allowed to complete any current seasonal competition.

West Michigan Youth Soccer Association

5. WMYSA requires open published tryouts be held each year for its member clubs. All players must have an equal opportunity to try out for a team. All tryouts are subject to the WMSYA guidance and MSYSA tryout date guidelines.
 - a. Tryouts dates for all teams sponsored by WMYSA for fall and/or spring seasons may not be held prior to the date assigned by MSYSA. The schedule for tryout dates will be established every year by the league at least 120 days prior to the earliest MSYSA guideline tryout date.
 - b. Tryouts for all WMYSA high school age boys' teams playing only in the spring season may be held from the date assigned by WMYSA for open tryouts until the first practice day of the MHSAA Boys Soccer season and no earlier than the day after the last MHSAA Boys Soccer Finals game ([Calendars | Michigan High School Athletic Association](#)).
 - c. Conflicts over tryout dates or sites between clubs which are registering their teams with WMYSA for the coming year can be mediated by the league.
 - d. WMYSA will not register any player from clubs that hold tryouts before the earliest MSYSA tryout date allowed.
6. The Administrator responsible for scheduling will organize the teams into appropriate age groups divisions, following USYSA age groupings whenever possible. The Scheduler may divide the teams into two or three divisions when more than 9 teams are in an age group or combine age divisions when less than 7 teams are available. Teams may apply for one division or the other and the WMYSA Administrator will assign each team to a division based upon the team's previous record, the team's player roster, and/or the club's performance history.
7. All club representatives are responsible for identifying playing and practice sites in their communities. Additionally, they need to provide any restrictions on game fields such as days of the week and times allowed to be scheduled. Maps and directions for playing sites must be provided to the Administrator responsible for scheduling. While schedules are typically balanced with equal numbers of home and away games for all teams, the WMYSA Board may require games to be played at alternative or opposing venues if fields are judged as not playable, do not meet size requirements, lack of referee availability, or if the number of home games on a balanced home-away schedule cannot be reasonably scheduled at the home field facility.

C. Coaches, Referees and Managers

1. Member clubs are responsible for selecting coaches for their teams. For their first season, it is recommended Head coaches have at least a USSF Grassroots coaching certification. It is recommended

West Michigan Youth Soccer Association

that head coaches obtain a Grassroots license for the oldest age group they will be coaching. If the head coach is not at least 18 years of age, an adult team manager must be registered with WMYSA. Please see WMYSA website for licensing equivalence and reimbursement policy.

2. A team U9Y through U19 must register one head coach plus up to four assistant coaches and/or managers with WMYSA.
 - a. A maximum of five individuals per team may be issued WMYSA pass cards and be listed on the certified USYSA roster. The fourth and fifth assistant coach/manager will be assessed a registration fee.
 - b. A maximum of three registered individual team officials with pass cards issued for that specific team by WMYSA may be on the coaching sidelines during games.
 - c. At least one registered coach or manager with that specific team or holding a WMYSA club pass card, at least 18 years of age must be on the coaching sidelines for a game to start or continue.
 - d. A team with up to five registered officials with pass cards may determine which three of the team officials may be on the team sideline.
3. Club Coach Pass Card: Each WMYSA member club may designate two club affiliated individuals to receive a WMYSA Club pass card as the "Club Official".
 - a. The Club Official(s) will be issued a unique card separate from any designated team's pass card by WMYSA. This card will include their photo and a league stamp/signature.
 - b. For any game in which the Club Official participates as one of the three permitted team officials, they must be written on the official game report for that game in addition to any other team officials and present their WMYSA Club Official pass card.
4. All individuals who serve as coaches or team managers must have a coach/manager card indicating "KID SAFE" AND a specific risk management card through MSYSA or IYSA. Proof of current risk management certification must be maintained in GotSport.
5. Coaches and Managers must take and complete the Safe Sport and CDC concussion training and re-certify as required per MSYSA. This must be done via their coach/manager GotSport account to have it properly recorded.
6. WMYSA asks its member clubs to pay attention to broad areas of coaching qualifications when selecting a coach, including formal soccer coach training, suitability for work with the age group, soccer background and the ability to communicate and teach. All clubs should annually evaluate their coaches. The WMYSA Board has the right to reject a nominated coach.
7. Coaches are responsible for their team's conduct at practices and at games. Coaches who have been reported in violation of the FIFA Code of Conduct or the Rules and Regulations may be subject to disciplinary hearings and may be suspended. Dismissed coaches may not serve in any official capacity with a team in WMYSA or in any other capacity with WMYSA until the term of suspension is completed. Coaches are also responsible for their team's parents.
8. Parents and others are not allowed to make derogatory remarks to players or referees. Any individual in a non-coaching capacity who may be reasonably construed to be associated with a team, such as a relative or spectator, shall be subject to the jurisdiction of the league. Any coach or team official shall be held responsible for the actions of any individual(s) who violates WMYSA rules and who, in the

West Michigan Youth Soccer Association

opinion of the disciplinary committee, is a supporter of that team.

9. WMYSA utilizes head coaches as the primary contact. They are expected to relay important information to players and parents as needed. The email contact in GotSport you provide will be utilized for this purpose.
10. Due to an on-going shortage of USSF registered referees, WMYSA may require all clubs to conduct a recruitment campaign to encourage older club players and, parents of club players, and other potential interested parties to attend the required courses and become registered referees. When there are insufficient referees located near a particular club's home fields to cover the club's home games of the balanced home-away schedule, the WMYSA Board may require games to be played at alternative or opposing venues or with a modified USSF approved referee system. Clubs in smaller communities should work with the WMYSA Administrator to coordinate home games between multiple club teams and/or consider working with the referee association(s) to utilize a travel premium for referees from other locations to work the club's home games and avoid WMYSA's need to potentially move games.

D. Player Registration

1. WMYSA will set a calendar each season for deadlines for team commitments and for meeting the minimum registration number for team formations. The deadlines for the team commitments are especially important for development of game schedules, which must be completed and provided to referees' associations well in advance of the season. Deadlines may be extended only with the approval of the WMYSA Administrator responsible for Scheduling.
2. All players must be registered with WMYSA, which will, in turn, register them with MSYSA and USYSA. Players/Parent must fully complete and digitally sign the club specific electronic registration form using the electronic WMYSA registration format, currently GotSport.
3. Within the registration program all players must present the following for validation. A player shall not be validated until the required documents are submitted.
 - a. An unedited copy of either a birth certificate, passport, driver's license, board of health records, certificate of naturalization, or alien registration card as sufficient proof of age, except in those competitions which specifically state otherwise.
 - b. A headshot photo of a player, taken within the previous two calendar years. Player cards will not be issued without a valid photo as all players will get a USYSA identification card to be kept by the coach or the team manager for game procedures.
4. A late fee will be imposed if a photo or documentation is not submitted by registration deadlines. It is the Club Registrar's responsibility to work with the parents of the registered player to validate before the league deadlines.
5. Age is defined by the player's year of birth.
6. A team age bracket is to be defined by the age of the oldest player registered on the team.
 - a. A team playing in U9Y must be comprised of U8 age appropriate players only.
 - b. A team playing in divisions U9 – U15 may be comprised of players covering two-year age brackets.
 - c. U15 and older players may play up through U19 without restrictions or play-up request.
 - d. Players between the league ages of U8 and U14, and not in 9th grade may be allowed to play up two age

West Michigan Youth Soccer Association

- division brackets (i.e. a U11 player on in a U13 division). Playing up three divisions is not allowed.
- e. A player who is an U14, but is in 9th grade, may play on an U16 through U19
 - f. No U6 nor U7 players may be rostered on any WMYSA team.
7. Player cards will be checked by the referee before every WMYSA game and will be immediately returned to the coach. Players who have not been registered by WMYSA, and do not appear on the official roster and game day game-sheet may not play. Should the player have a valid card, but the card is not present at the game, for whatever reason, the following procedure should be used:
- a. The opposing coach should be notified, and the player is open to "Challenge". If the opposing coach desires to play under "Challenge" (not to be confused with Protest), he must notify the referee and the other coach prior to the start of the game.
 - b. If the game is to be played under Challenge, the referee should note this on the FRONT of the game report and the reason - that a player has played without his/her card.
 - c. The referee should record the player's name and birth date on the back of the game report and have the player sign the back of the game report.
 - d. Upon completion of the game, the game report should be sent to the Administrator responsible for scheduling following normal procedures.
 - e. The challenging coach should notify the WMYSA Administrator responsible for scheduling if a game has been played under Challenge and provide the details.
 - f. When WMYSA gets the game report, WMYSA will verify that the player is listed on the team's official roster. If the player is properly registered to the team, the game will be declared official. If the player is not properly registered on the team, the game will be forfeited by the team using the ineligible player and the coach and player may be subject to sanctions per paragraph D.6 below.
 - g. If a team is utilizing the Player Pass Card System (PCS), the player MUST have player card for check in by the referee.
8. If an ineligible player plays or if a coach knowingly permits an ineligible player to participate in a WMYSA sanctioned game, the player and/or coach may be suspended for a period of time to be determined by the WMYSA Board. Players are ineligible if they were sent off in the previous game if they are not registered or if they were illegally registered.
9. The league will not allow dual roster players.
10. Players are permitted and encouraged to play in other recreational developmental soccer programs in their communities.
11. The submittal of a player registration form signed by the player and his/her parent or guardian (if the player is under 18 years of age) and at a minimum, the MSYSA player fee, binds the player to that team for the seasonal year unless granted a transfer or release approved by WMYSA. A player may transfer from one WMYSA club to another WMYSA club between seasons during the approved transfer window with the approval of both club's president or his/her delegate and WMYSA. A player may transfer from one team to another team within a club (intra-club) during the seasonal year. A coach may involuntarily release a player only after notifying the player of an intention to release (if possible) and filing a Release Form and receiving approval due to valid reasons. Any attempt prior to tryouts or after they have signed and made payment to that club, to induce a player to change teams for the current seasonal year is defined as poaching and is in violation of MSYSA Rule 3.7.

West Michigan Youth Soccer Association

1. MSYSA insurance applies to outdoor and indoor activities if the location has been submitted by the club to WMYSA for inclusion under the MSYSA insurance policy.
2. All injury claims are handled directly by MSYSA. West Michigan Youth Soccer Association

- b. The team should notify both the club and WMYSA Administrator responsible for scheduling.
- c. The Player should only return to play when:
 - i. They have received permission to do so from a health care professional experienced in evaluating concussions.
 - ii. They have received the completed Michigan Department of Community Health "Medical Clearance To Return To Play" Form and submitted it to both their club and the WMYSA Administrator responsible for scheduling.

K. Uniforms

Beginning Fall 2025 all teams must wear socks that match the primary color on the respective home and away uniform. By Fall 2026 uniform kits must be standardized for all teams in the same club.

- 1. Team uniform color kits shall be the same across all teams in the club they are playing under.
- 2. Uniform and Sock color must be of distinct contrasting colors. Colors must be different (for example, a home uniform cannot be light blue and away uniform dark blue).
- 3. Home Team – Jerseys and socks must be white/light colored in matching color.
- 4. Visitors – Dark colored jerseys and solid dark colored socks.
- 5. All players must be in full uniform shirt (tucked in), shorts, socks (matching uniform shirt color and covering the shin guards), shin guards and shoes.
- 6. The home team is responsible for ensuring their uniforms (shirt and socks) contrast to those of the visitor.
- 7. Goalkeepers shall wear colors that distinguish them from all other players and referees.
- 8. Soft sided headwear worn for religious or medical purposes is acceptable providing a letter of notification has been sent to the WMYSA Administrator responsible for scheduling. A letter of approval will then be sent back to the coach to hang onto in case the need arises to show an official.
- 9. Numerals, at least six inches high, must be worn on the back of each player's jersey. Numbers on goalkeepers' uniforms are optional on either front or back or both.

L. Home Team Responsibilities

The home team must make sure its field is playable and meets minimum playing dimensions as outlined in section F Rules, Game Procedures subsection 3. If a field is not playable, the referee must issue a report to the statistician, who then has the authority to rule if the game will be forfeited. The home team must have a first aid kit at the game site and provide a ball that satisfies the Laws of the Game. The home team must pay the referees.

M. Schedules, Cancellations and Forfeits

- 1. Whenever feasible, the WMYSA Administrator responsible for scheduling will arrange for at least eight games each in fall and spring. All teams are required to provide any requests for blackout dates through the online commitment process. Each team is limited to request up to four individual days for blackout in the fall and two individual blackout days in the spring seasons. They will be reflected in initial schedules. Only oversight errors (i.e. missed blackouts, incorrect home venue or missed coach integration) will be changed during the preliminary review days. Once the preliminary review days

West Michigan Youth Soccer Association

expire, WMYSA will allow Game Reschedule Requests to be made for a fee.

2. The game reschedule procedure applies to any request to reschedule after schedules have been released unless there has been an error or oversight by WMYSA.
3. Reschedules will not be accepted for games when requests are submitted less than seven (7) days of the original game date.
4. Games may only be rescheduled for valid reasons, such as a State Cup game, conflict with school or church activities affecting multiple players or all registered coaches and managers.
5. Team Responsibilities:
 - a. Contact the opposing coach and agree on a new time and date. Complete the reschedule form with proper signatures. This form can be downloaded at wmysa.org.
 - b. Submit the reschedule form to the WMYSA Administrator responsible for scheduling to note the game cancelled and request for a new time and date. WMYSA will then look at the reason, check field availability, referee assignor considerations and if approved will make the appropriate change to the league schedule.
 - c. The appropriate fee will be billed to the club of the team requesting the change.
 - d. Obtaining referee coverage for remote sites is difficult as we typically are unable to obtain referees for single matches. In the event a team wishes to reschedule a game which would result in creating isolated games at that venue, it will be their responsibility to coordinate not only their game change, but the other games change as well. If the game change cannot be coordinated in a way which eliminates game isolation the game change request will not be accepted.
6. WMYSA Responsibilities
 - a. WMYSA will notify the referee assignor of any cancelled game.
 - b. WMYSA will notify the referee scheduler of approved new dates and times for rescheduled games.
 - c. The affiliated referee association will assign referees for the rescheduled games.
7. If a team requests to cancel a game and it is never rescheduled the team cancelling the game will be subject to possible forfeit.
8. If a game is cancelled due to weather, teams will have some options. If both teams agree to not make the game up, there is no fee and the game will simply go un-played. If they decide to make the game up, they will be charged a Level I make up fee which is split between the two teams. If the game is never made up, WMYSA will mediate a course of action. All teams are expected to make a sincere effort to reschedule.
9. A fine may be assessed through a team's club in the event of a forfeit or if a game is rescheduled and played without being reported to WMYSA.
10. WMYSA requires that when lightning is observed, or thunder is heard by the referee during a game, the game must be suspended, and the playing field kept clear of participants until 30 minutes after the last thunder or lightning is noted; or it must be terminated. Suspended games may result in termination at the discretion of the referee if subsequent scheduled games require use of the same field or referees. If a game is terminated because of weather and one half of the game has been completed, the game will be

West Michigan Youth Soccer Association

considered complete and the score at the time of suspension will be recorded as the final result. If the game is terminated in the first half, it will be rescheduled and replayed. The home team must notify the WMYSA Administrator responsible for scheduling of the cancelation and new date.

11. If a team fails to appear for a scheduled game without prior notification of the opposing team and WMYSA, a fine will automatically be imposed by WMYSA. The fine will be set to cover such expenses as referee fees, field rental, travel reimbursement and WMYSA Administrative costs. WMYSA will then distribute the proceeds deemed appropriate.
12. Severe Weather Policy: If a severe weather “warning” or a tornado “warning” exists in the venue’s area during game time or 2 hours prior to or 1 hour after the scheduled game time, the venue’s management or either team’s coach may reschedule the game to an alternative time and/or date without concern of forfeiture. If referees are assigned to a match that falls under these conditions, they may also be excused from officiating. The venue management, coach or official that elects to cancel a game due to severe weather or tornado “warnings” must contact all other parties to inform them of their decision prior to game time.

N. Practice and Scrimmage Frequencies

Teams may practice as frequently as they wish. Teams may have as many inter-squad scrimmages as they wish. It is recommended all U6-U8 Academy teams practice no more than once per week.

O. Standings and Championships

1. A point system will be used to determine the standings of teams in each age division. A win is three (3) points, a tie is one (1) point, a loss zero (0) points. A forfeit shall result in a deduction of one point (-1) from the standings. Points may also be deducted from the Standings at the League’s discretion.
2. At the conclusion of each WMYSA season, the team which has accumulated the most points in each Division shall be declared the champion of its division. If two or more teams are tied on the basis of points earned the tie breakers will be as follows: head-to-head teams involved in the tie, goal differential (up a maximum of four goals per game), goals against, then goals for; if the teams are still tied they are co-champions.
3. WMYSA gives out an award of pins to the champions. The number is given for the actual rostered players to the team.

West Michigan Youth Soccer Association

P. WMYSA Premier

Within the WMYSA league, players have the ability to develop through club/select, elite and premier programs within their local community. This arrangement is designed to offer a wide range of opportunity and options for players. Premier teams are sponsored by WMYSA and are then governed by MSPSP. WMYSA will provide premier sponsorship to teams from WMYSA clubs based on the following criteria.

1. WMYSA will offer automatic premier sponsorship for clubs which:
 - a. Have a minimum of four teams playing in WMYSA (Select or Elite)
 - b. Have paid their WMYSA pre-and post-season invoices in a timely fashion.
 - c. Have paid all MSPSP fines/fees from previous season.
2. WMYSA may grant premier sponsorship for any team that does not meet the criteria listed above. Factors which it will consider:
 - a. Plan to expand number of teams for the club. If approved, full premier fee must be paid to WMYSA at time of premier packet submission.
 - b. Reason or justification for non-timely invoice payments.
 - c. Amount and reason for outstanding MSPSP fees/fines. If approved WMYSA will require either proof of payment or full premier fee must be paid to WMYSA, which includes the MSPSP fees/fines at time of premier packet submission.
3. WMYSA will charge a fee for premier sponsorship which will cover the GotSport fees and administrative costs incurred as outlined in the appendix.
4. Per MSYSA Rule 3.4, Section A-8, "All tryouts for teams for the MSPSP must be announced in the Michigan Soccer Publication." For clubs which utilize WMYSA to **exclusively** sponsor their MSPSP teams, WMYSA will provide this advertisement for those clubs at no additional cost.

Q. Due Process

In case of problems between teams or clubs, a team or club may contact the WMYSA Board, in writing, to describe the problem.

Referees shall report problems to the WMYSA Administrator responsible for scheduling on game reports or via email. Once investigated, The Disciplinary Investigative Committee will communicate its decisions to the coaches, clubs involved. If sanctioned by this committee, those clubs, teams or individuals will have the option of having the matter heard by the Disciplinary Review Board. Disciplinary actions may be appealed to the WMYSA President in writing (using the appeal form on the leagues website), within 7 days. Disciplinary Review Board hearings shall follow the MSYSA Bylaws. A copy of these Bylaws is available upon request from the WMYSA website. If the Disciplinary Review Board reprimands a club, team or individual and if the problem is not corrected, the offending club, team or individual may be removed from WMYSA.

R. Interleague Play with GVSA and CASL

West Michigan Youth Soccer Association

1. WMYSA will strive to organize inter-league play with the Grand Valley Soccer Association and the Capital Area Soccer Association each season for “Elite” teams.
2. WMYSA will strive to recommend promotion of up to 3 teams in each division. Elite divisions begin each fall season and promotions are only available for age-appropriate teams.
3. Elite age divisions start at U11.

West Michigan Youth Soccer Association

4. Teams will be recommended for promotion by the WMYSA Administrator responsible for scheduling based upon performance during the prior season based on the following from the Spring season.

Example of team requesting U11 Elite

- a. 1st Place U10 A Division.
- b. **Tie breaking determinations will be used for the 2nd and 3rd Elite spot.**
- c. U10 A 2nd place & Top U11 A Division
- d. U10 A 2nd place & Top or 2nd U11 A Division
- e. U10 A 3rd place

Tie Breaking Determination is based on the following:

1. Most Wins
 2. Goal Differential
 3. Head to Head (*if documents record exists)
 4. Most Shutouts
5. Continued eligibility for Elite play shall depend upon Elite division standings. The bottom 3 Elite teams in each division will be relegated after each season, regardless of league affiliation. WMYSA will then strive to recommend promotion of one team from the A division.
6. Teams to be recommended for promotion to Elite will be selected by the WMYSA Administrator responsible for scheduling. Such teams will typically, but not necessarily, be the winners of the A division the prior season. A team recommended for promotion does not have the option to decline a promotion but may appeal the selection to the WMYSA Board of Directors for review. Teams relegated out of Elite and wish to remain will be considered after consultation with the other leagues participating in the Elite division.
7. WMYSA divisions will generally not be reduced below 5 teams in order to provide teams for Elite play.
8. Teams will not be promoted from one Elite division to a higher Elite division between the fall and spring season. For example, a WMYSA team finishing first in the U13 Elite division will not earn promotion to U14 Elite. The U13 Elite team may elect to play in the U14 WMYSA division, if they desire.

S. MSYSA Rules and Regulations and Matters Not Provided For

These WMYSA Rules and Regulations are intended as a supplement to and not a replacement of the Rules and Regulations of the Michigan State Youth Soccer Association, which is the governing body. The MSYSA Rules and Regulations are available on the www.michiganyouthsoccer.org website. Any matters not provided for in these Rules and Regulations shall be determined by the WMYSA Board of Directors and decisions so made shall be binding.

T. Pleas of Ignorance

A plea of ignorance to the Rules and Regulations is not sufficient and violators may expect appropriate action by the Board of Directors of the Association.

APPENDIX 1: Inclement Weather

A severe weather warning is defined as either a Tornado Warning, Severe Thunderstorm Warning or High Wind Warning.

If a severe weather “warning” or “Advisory” as defined below exists in the venue’s area during game time or 2 hours prior to or 1 hour after the scheduled game time, the venue’s management or either team’s coach may reschedule the game to an alternative time and/or date without concern of forfeiture.

If referees are assigned to a match that falls under these conditions, they may also be excused from officiating. The venue management, coach or official that elects to cancel a game due to severe weather must contact WMYSA Administrator Responsible for scheduling and the opposing team to inform them of their decision prior to game time. If the referee is the one making the determination they should contact WMYSA.

A **High wind warning** is issued when either sustained winds of 40 mph or higher exist for one hour or more or wind gusts are 58 mph or higher for any duration. Immediate shelter should be sought.

A **Severe Thunderstorm Watch** does not necessarily mean that severe weather is occurring, only that atmospheric conditions have created a significant risk for severe weather to occur.

A **Severe Thunderstorm Warning** is an alert issued when trained storm spotters or a Doppler weather radar indicate that a thunderstorm is producing or will soon produce dangerously large hail or high winds, capable of causing significant damage. Immediate shelter should be sought.

A **Tornado Watch** is issued when weather conditions are favorable for the development of severe thunderstorms called a Supercell capable of producing tornadoes. A tornado watch therefore implies that it is also a severe thunderstorm watch.

A **Tornado Warning** is defined as an alert issued by national weather forecasting agencies to warn the public that severe thunderstorms with tornadoes are imminent or occurring. Immediate shelter should be sought.

A **Winter Weather Advisory** is issued when conditions are such we have one of the following: snow 3”-5” within a 12-hour period, sleet < ½”, freezing rain with snow, sleet and blowing snow or ice accumulation <1/4”.

Also, a team forfeit is considered played and referees are entitled to full compensation. The league is liable for payment to the association if the involved teams do not pay and the club will be charged accordingly.
4. WMYSA will compensate the referee directly after coordination with referee assignor and the Referee Association, in situations where a game is cancelled or rescheduled within 24 hours of the match and the referees do not receive notification and show up to the field.
